Community Institution Building Programme on Financial Literacy

Organized by: Empowerment for Change (E4C) in collaboration with Buzz Women

Topic: Financial Literacy

Date: 25th July 2026

Venue: Civic Centre

Empowerment for Change (E4C), in collaboration with Buzz Women, successfully organized a Community Institution Building Programme on Financial Literacy at the Civic Centre, Tamenglong. The programme was attended by more than 45 participants, including, farmers, beneficiaries, entrepreneurs, and community members.

The programme included an interactive group activity and role play session led by Esther Gangmei, Executive Director, through practical demonstration; she explained financial and entrepreneurial concepts, including the roles and responsibilities of customers, and good financial practices.

The resource person, Mr Dimgong, from RNBA delivered an informative session on Financial Literacy. He spoke about the importance of financial planning, developing saving habits, responsible use of loans, budgeting, and ways to improve household income and economic growth.

His practical examples and interactive teaching style made the session highly interesting and beneficial for all participants.

The programme concluded successfully with active participation and meaningful discussions. Participants appreciated the practical knowledge shared during the sessions and expressed confidence in applying the lessons to their daily financial and entrepreneurial activities. The programme was a productive step towards building financially aware and economically resilient communities.
