## Message from the Secretary.....

Dear Well Wishers!!

LOK PRERNA-SAMADHAN is extending its efforts for improving the living standard of marginalized and deprived community and shaping the society into a good place to dwell.

Annual Report for year 2019-20 is presented with great pleasure witness another level of commitments towards the aware rural community and the dedicated efforts resulted into significant achievements along with few obstacles in managing the fund mobilizations for the cause of awareness in such way so that Livelihood generation access to services and ability to influence policies and programs can be brought at the stage of acceptance. It has supported activities like natural resource management, land and agriculture promotion, income generation activities, vocational training, water and sanitation activities, education and strengthening people's organization and the child and women rights

One initiative under CSR project was launched for **the BABA BAIDYANATHDHAM SWACHHATA KARYAKARMA, DEOGHAR** and in anticipation of the said program intervention and implementation SIP Deoghar remained First runners up Prize on the National level this year. Remarkable humanitarian activities also implemented as Health camps organized for the operation of facial deformation of the Children and people in Deoghar district and as per identification and availability of such patients in the concerned and known areas concerned.

For the awareness of people interventions organized at various levels towards nationality and interest to recall our glorious past and sacrifices of the great personalities in the movement for transformation of power of Governance to make new India from the rule of slavery for many years and the many related issues of the communities at present in the society.

We are very much thankful to community members, Government Institutions, Non Government Agencies, External Consultants and National as well as International agencies who supported our cause with financial, technical and operational inputs.

We are sincerely thankful to all our colleague, subordinates, peer members and volunteers who showed higher degree of admirable commitments and determination in performing their roles and responsibilities.

**S.P. Bhunia (Bilas)**  
**Secretary**

## 19. Goal

To create an environment, where all individuals can get social justice with respect and dignity and where women have ample participation in decision making and share equal rights.

## 20. Interventions during 2019-20 by LOK PRERNA-SAMADHAN

Activities implemented	Impacts
<p data-bbox="138 226 860 367"><b>1. Power Grid Corporation of India (CSR) assisted Baba Baidyanath Temple Swachhata Karyakarm, Deoghar under Swachh Bharat Abhiyan Govt. of India</b></p> <p data-bbox="138 409 860 588">Baba Baidyanath Dham situated in Deoghar of the state of Jharkhand was selected under second phase of the Swachh Iconic Places(SIP) initiative to focus on cleaning up 100 places across India that are “iconic” due to their heritage, religious or cultural significance.</p> <p data-bbox="138 625 860 913">The initiative aims to enhance the experience of both domestic and foreign visitors to the iconic sites by improving the sanitation and cleanliness standards at and around the sites. at these places to a distinctly higher level especially on the peripheries and in approach areas. and is being undertaken in partnership with Ministries of Urban Development, Tourism and Culture with MDWS being the nodal ministry.</p> <p data-bbox="138 951 860 1171">This iconic site has designated PSUs namely PGCIL,Patna for financial and technical support and <b>Lok Prerna-Samadhan initiated the program as vendor contractor under monitoring and supervision of PGCIL, Patna,Baba Baidyanah Dham Temple Trust headed by DC, Deoghar.</b></p> <p data-bbox="138 1209 860 1497">Facilities implemented to improve sewage infrastructure, installation of Sewage Treatment Plant (STP), drainage facilities, improved sanitation facilities, water vending machines, solid and liquid waste management (SLWM) set-up, structure restoration, lighting arrangements, beautification of parks, roads maintenance, better transport facilities in approach and access areas besides at the main sites.</p> <p data-bbox="138 1503 860 1759">In order to avoid littering, there should be provision of waste bins at the destination and daily transfer of waste from these waste bins have to be ensured. For better result concrete waste bins have to be implemented and proper management has to be ensured. Camera has to be placed and properly monitored for taking actions against those who littering the destination.</p> <p data-bbox="138 1797 860 1967">Housekeeping (Cleaning) activities round O'clock every day by 60 labourers brought such visible changes which rewarded remained the First runners up Prize. Among the SIP status in Our country at the National Level.</p>	<p data-bbox="885 226 1515 367">The mission has succeeded in creating awareness &amp; education, and also in bringing a positive attitude in the minds of residents regarding cleanliness and sanitation.</p> <p data-bbox="885 409 1515 987">The pollution at the Railway stations, bus stands Parks, public places, hotels and approach roads have been minimized by changing attitude of the tourists and residents. They are the one who litters the destination. So awareness programs have to be conducted on a regular basis and strict actions have to be taken against those who are violating the laws. ‘Waste management using modern waste treatment plant etc for the management of degradable waste. Management of non-degradable waste like plastic, the resident community suggested that More awareness programs has to be conducted ensuring reuse and recycling of plastic bags by promoting eco-friendly carry bags making paper bags through resident as association, by promoting</p> <p data-bbox="885 1024 1515 1134">3R’s (recycle, reuse and reduce) etc. The use of plastics has to be minimized by introducing cloth bags and paper bags.</p> <div data-bbox="885 1186 1515 1627">  </div> <div data-bbox="885 1648 1515 1953">  </div>
