Margadarshi Society Kalaburagi

2020-2021

## **Introduction**

### **Thematic Focus: Education, Health, Nutrition, Protection, Participation**

#### **Project Background:**

Margarashi began its work with street children on railway platforms of Gulbarga (now renamed Kalaburagi). It has been involved in many projects (in collaboration with the state government, independently as well as with other networks) addressing the issues of street children and child labor. It has also been part of various studies involving this crucial issue. Anand Raj, the Project Holder, has been active in many networks and forums engaging with the state for the protection and rights of the children. He has also contributed significantly towards improving the quality of management of many state run children's homes in the district in the capacity of a member/ Chairperson of the District Child Welfare Committee of Gulbarga. Margarashi's vision is that it "visualizes a child friendly and sustained society, where children are free from all forms of abuse and exploitation, enjoying childhood and their rights, with respect and social justice and without any discrimination". In the CRY operational area, Margarashi has brought significant improvement by ensuring access to sponsorship programs under ICPS (Integrated Child Protection Scheme) to children of single parents/orphan; re-enrollment of dropouts and child laborers in schools and hostels; approve of a high school after three years of advocacy; improvement of infrastructure/ facilities in Anganwadi centers providing pre-school education and supplementary nutritional under ICDS (Integrated Child Development Scheme) and schools; formed School Development and Management Committees (SDMCs) in schools.

#### **Problem Statement:**

Margarashi is working in Chittapur, Sedam Chincholli and Gulbarga taluka of the Gulbarga/Kalaburagi district. Kalaburagi is considered one of the most backward districts in the state of Karnataka. About 28% of the population in the district belongs to the socio-economically marginalized dalit community. The child rights situation is also poor in all the seven Talukas. The state is closing down schools in the district for the rationalization of resources and utilization. Karnataka has the second highest child laborers in 10-14 year old age-group in India as per 2011 census. Children are compelled to work as bonded laborers in landlord's agricultural firms/ houses or looking after cattle when their parents are not able to repay the amount of loans taken from the landlord. Elder children have to support their family in this time of crisis situation. Children aged 12 to 18 years old are involved in domestic work, quarry, cotton picking, cattle grazing, agriculture and facing different risks like accidents while carrying loads in quarry work; get affected with asthma in cotton picking work etc. Besides, children are also working as a part of a gang to dig and load sand; in hotels / bars in different capacities; driving tractors for owners or for rent; begging; rag picking and other seasonal agricultural work. Girls are perceived better at seed crossing, pollination, cotton picking, and chile picking since a lot of them are short in height and do the work more effectively. There is an access gap of 47% in primary schools by standards set by the RCFCE Act (Right of Children to Free and Compulsory Education Act, 2009). And, there are only 4 government high schools for Grades 9 and 10 in the project area. The infrastructure situation is poor in these schools. While 16 schools do not have toilets, some schools do not even have drinking water. Major reasons for drop out in the area are poverty, search for survival needs, lack of access to school, safety and security concerns of adolescent girls, migration of parents, low educational attainment of parents, single parents or orphans with no care takers, health crisis in families and other problems in the family. Thus, dropout is influenced by a complex maze of factors from school environment to socio-economic and socio-psychological factors.

Whether we accept it or not "Street children, Unaccompanied Children, Malnourished Children, Missing Children, and Working Children or Child laborers, Child marriage" are a reality and are happening only among weaker sections of our society since they are more vulnerable and easily prone to exploitation, harassment, abuse and diseases. They are seen as untouchables by the public, deprived of love, affection, care and are forced to live in un-hygienic living conditions. In addition, majority of these young children are at risk of addictions due to unavoidable and realistic reasons which they have undergone in their life such as broken families, ill-treatment by parents or family members, company of bad peers, influence of elder or senior street children, to pass time, to forget the past or sad part of their life and to live in a dream world than the existing world.. Margarashi Society®, a non-profit organization is working for these marginalized

and neglected children and registered under The Societies Act, came into existence in the year 2002. The society works for the children without any discrimination of caste, creed or color and brings them to the mainstream of the society by providing them with education, and necessary support. The society has been working for the past 16 years in the districts of Kalaburagi,

## **Vision**

*“Margadarshi” envisages a child-friendly and sustained society, “where children are free from all forms of abuse, exploitation, malnutrition, enjoying childhood and their rights, live with respect and dignity and social justice without any discrimination”*

## **Mission**

*To make Kalaburagi as a model district ensuring child right for children in difficult condition by sensitizing and empowering children, youth, parents, caring community groups and making the civil society, government and allied systems and corporate accountable towards the development of children through promoting alternate care, networking, advocacy and lobbying and right based approach.*

## **Objectives:**

- To rescue and resettlement of children on the Kalaburagi Railway Platform who are separated from the families
- To enhance the quality of lives of the children seen on railway platforms, (out of homes) through non-formal education, psychological support, and nurture
- Research to understand the complex issues connected with rehabilitation
- Reinforce self-identity, confidence in their abilities, and affection with family to overcome isolation from family, through orientation camps
- Create awareness among the children, public, authorities and other organizations regarding the dangers of trafficking, physical and sexual abuse child marriage and ways of combating and preventing of the same.
- Lobby with Govt. Child Welfare Dept., Education Dept., Police Dept., Railway Authorities and Organization working with the children to protect the child rights and child issues through forming local committees

## **Long-term Objectives of Margadarshi Society**

The overarching objective of the society is to reunite the children living on the rail platforms with their parents and families with an emphasis on preventing the children, giving no formal training to most vulnerable children once they are resettled, to revert to their homes. Emphasis is also given to preventing of trafficking among children living on their own on the streets.

## **Background information on Margadarshi Society**

MARGADARSHI is a registered society, working for the most vulnerable children in the society, exclusively working for street children and child labors. The genesis of the organization stems from its vision of helping and enabling those children who are rendered homeless and who live in the most difficult circumstances in

their struggle for survival, by factors which are most often, out of their control. The experience of Margadarshi shows that even when the children leave their homes, it is a complex set of underlying factors which are instrumental in their decision to abandon their homes to survive on their own. Though only a few children are orphans neglected rag pickers and vulnerable, in the true sense of the word, all of them ultimately end up living the lives of orphans. Margadarshi started initially covering Kalaburagi and Wadi (Karnataka). The need assessment started with informal visits to the railway platform, bus stand and market contacting the children. Slowly a rapport with the children was established. The children were provided with shelter and food and gradually recreational visits outside the railway platforms such as picnics to nearby places were organized and were introduced to non-formal education. These initial attempts helped the organization to create a climate necessary for the children to open up and divulge the details of their history in terms of where they were from and their reasons for leaving home.

## Details of Margadarshi Society Board Members 2019-20

Sl. No	Name and address	Age	Designation	Aadhaar No.
1	Dr. Malhar Rao S/o. Kishan Rao Malle, H. No. 39/9/2 Bihind Vijay lodge, near Big Bazar, Gazipur, Kalaburgi	73	President	761821894354

**Supported by CRY**

Prevention of children dropping out of school, Child labour and Malnutrition

Project Title: **Towards ensuring children's right to access / quality education with focus on dropout, irregular and child labourers**

Key Focus: Child Protection: (child labor) and Education (Never enrolled, Drop out, access/quality of schools)

Objectives:

1. Prevention and protection of children from never enrolled, dropping out of school, becoming child laborers
2. Reduction in out of school children by 25% in the third year
3. Ensuring effective functioning of child protection systems under ICPS in the intervention areas
4. Ensuring universal access to quality education for all children between the ages of 6 to 18
5. Towards creating spaces for children to enjoy their childhood through children’s collectives and adolescent girls collectives

In our working area 22 villages, we have conducted a family survey and surveyed **909 Households** and collected children data and family status. Then we have selected Muslim Community households and surveyed total= **5** Villages Now total villages are 22 only details is below. **Total Population Male= 3,278 Female= 2,118, Total=5,391** During the survey we have collected information on child marriage, drop out and never enrolled, irregular to school, Single parent’s children status.

Program Activities Planned	Activities and Achievements
<b>Result Area: Ensuring universal access to quality pre-school education for all children aged 3 to 6 years old through full enrollment, retention and transition to schools.</b>	
<ul style="list-style-type: none"> <li>· Conduct regular home visits, identify 3 year old children and enroll them in Anganwadi Centers (AWCs).</li> <li>· Seeking approval of new AWCs through regular liaison with the government officials.</li> <li>· Conduct regular visits to AWCs across project areas to collect and identify children aged 5.5 years old in the centers, motivate parents/ teachers to enroll the same children in primary schools during school enrollment time and pay extra attention to vulnerable children to ensure enrollment in 1<sup>st</sup> Grade.</li> <li>· 80% AWC graduate children transitioning to Primary Schools across operational areas</li> </ul>	<ul style="list-style-type: none"> <li>· Community organizers have regularly visited AWCs in operational areas. Before Covid (3 months) they have identified 16 children from the most vulnerable families and enrolled them in AWCs.</li> <li>· While the AWCs remain closed due to Covid precautions, below engagements were carried out:-               <ul style="list-style-type: none"> <li>- Conducted special sessions for 3 to 6 year old children.</li> <li>- Motivated parents to engage children in creative activities and create opportunities for children at home to explore and learn</li> <li>- Motivated adolescent girls collective members to teach/ play with AWC children as they are being ignored due to lockdown.</li> <li>- In this process adolescent girls voluntarily conducted sessions for 72 children across operational areas.</li> </ul> </li> <li>· 4 AWCs were approved in operational areas, namely in Kulkunda, Chamnuru, Sugur N. and Tunnuru during the period due to consistent efforts by the partner. However, due to the Covid lockdown construction of the centers became delayed.</li> <li>· 178 AWC graduate children’s data were collected and the parents were met and sensitized to prepare the basic documents that are required for enrollment – such as birth certificate, aadhar card, caste certificate, income certificate etc.</li> <li>· In this process, 47 children’s parents were assisted by our team in obtaining and submitting applications for Aadhar Card and Caste Certificates.</li> </ul>
<b>Result Area: Ensuring universal access to quality education for all children aged 6 to 18 years old through ensuring full enrollment, retention and transition, prevention of dropping out and reduction of out of school children through main streaming.</b>	

<p>Conduct sensitization meetings with 50 School Management Committee (SMC) members in 5 selected villages on functioning, structure, roles and responsibilities of members etc. and facilitate SMCs regular meetings and interaction with teachers and education department.</p> <ul style="list-style-type: none"> <li>· Facilitate development of School Development Plan in 15% of schools through training of SMCs on vision setting and planning for school improvements.</li> <li>· Liaison with officials and stakeholders for approval of 2 new schools.</li> <li>· Ensure 75% of children aged 6-14 years old are enrolled in schools through mapping and tracking out-of-school children through regular home visits to identify school dropouts/ never enrolled children, counsel children and their parents, organizing school enrollment campaigns and community awareness jathas and school visits to ensure retention in school.</li> <li>· Ensure at least 50% of children cleared Grade 10 school board exams through identification and organizing motivational sessions and special supports.</li> <li>· Strengthen children collectives through facilitating regular meetings and sensitizing at least 150 members on importance of education and encouraging peer support.</li> </ul>	<ul style="list-style-type: none"> <li>· 4 SDMCs have been active and have school development plans (SDP) due to efforts of the partner and in the last 6 months 9 SDMCs have organized meetings on their own.</li> <li>· The team has been in discussion with the education department and BEO for a new high school approved in Konchuru. The following activities were performed for the same : <ul style="list-style-type: none"> <li>- A play was organized along with school children, SDMC members, Panchayat members and local leaders.</li> <li>- A memorandum was submitted from school children to Block Education Officer (BEO).</li> <li>- Partner team facilitated the discussion on the issue of school dropouts, child marriage and child laborers due to absence of a high school in the village.</li> <li>· 5 schools have been approved with separate bathrooms for girls.</li> <li>· 47 children’s collective meetings were conducted and 94 children were regularly attending the collective meetings.</li> <li>· 143 children participated in a 10 week children’s activities during the Covid lockdown period.</li> <li>· 84 adolescent girls collective meetings were conducted where 132 girls are attending.</li> <li>· Adolescent girls have been taking change making initiatives such as: <ul style="list-style-type: none"> <li>- Raising awareness on Covid in their neighborhoods;</li> <li>- Conducting tuition for primary school children;</li> <li>- Meeting with peers for self-help during lockdown and pandemic stress;</li> <li>- Supporting implementation of Covid child rights 10 week activities;</li> <li>- Paying extra attention to fellow adolescent girls;</li> <li>- Meeting AWC children at home and engaging in playing and writing basic alphabets.</li> </ul> </li> </ul> </li> </ul>
<p><b>Result Area:</b> Ensuring effective functioning of child protection systems under ICPS (Integrated Child Protection Scheme) and CLPRA (Child Labor Prohibition &amp; Regulation Act) in the intervention areas.</p>	

<p>Strengthen community through organizing street theater on child protection issues and regular meetings of mother’s collectives to discuss child rights issues such as child labor, child marriage and child trafficking etc.</p> <ul style="list-style-type: none"> <li>· Strengthen 5 Village Child Protection Committees by regularizing meetings.</li> <li>· Mainstream rescued child laborers in formal schooling.</li> <li>· Organize discussion meetings of children collectives on issues of child labor, child marriage and child trafficking issues to strengthen children collectives’ understanding and role on protection issues.</li> <li>· Assist needy children and vulnerable families in accessing benefits under child protection programs e.g. foster care, sponsorship etc. through conducting coaching for Murarji entrance tests for residential schooling, obtaining caste certificate, disability certificate, income certificate, Aadhar card, BPL[1] card, employment opportunities under employment guarantee program (MGNREGS[2]).</li> </ul>	<ul style="list-style-type: none"> <li>· 2 community meetings were conducted in Ladlapur, focusing on discussing the child protection issues – as Ladlapur has the highest number of child laborers and negative impact of engaging children in labor work. Girls’ education was also discussed in the meeting.</li> <li>· 77 children attended 9 meetings conducted by 7 children collectives on protection issues, especially on child labor and child marriage.</li> <li>· 4 Village level Child Protection Committee (VCPC) meetings were conducted in Ladlapur, Konchur and Mattimud.</li> <li>· 9 village level awareness jathas were conducted in 9 operational areas on child marriage and child labor issues. 1,138 children and 116 adults participated in the jathas. (Before Covid lockdown).</li> <li>· The team has successfully helped in providing the following benefits <ul style="list-style-type: none"> <li>- 170 children were supported in applying for Murarji exams for admission to residential schools.</li> <li>- 67 children and their families supported in applying for caste and income certificates</li> <li>- 15 families were helped in obtaining job opportunities under employment guarantee program MGNREG.</li> <li>- 47 children/families were supported in opening bank accounts to receive scholarships from schools.</li> </ul> </li> </ul>

SL No	Covid19 Response and Relief work summary by Margadarshi	
1	Number of villages visited	22
2	Number of families visited	678
3	Number of school children reached through midday meal ration provision follow up	1250
4	Number of AWC children reached through ICDS ration provision	800
5	Ration distribution to families through mobilization of local resources	4312
6	Mask distribution to children and adults through mobilization of local resources	750
7	Food/dinner distribution to migrant families	1500

**Case Story:**

Community organizer drove mother and child for health check-up –

Samarth (name changed), an 18 month old child was seen and observed suffering from cold, cough and fever. Our community organizer lives in the same village (Kallagurthi) and noticed the child was falling ill for a few days and talked with the mother and family. Samarth's mother and the family members were advised to take the child to the Community Health Center (CHC). But due to lockdown and the anxiety about Covid in the district – family members were afraid to leave home. Also there was no transportation facility and the family was not able to afford other options.

Mr. Narasimha, counseled the mother and family members and also offered transportation. The family then agreed to take the child to Kalagi CHC. Narasimha drove the mother and child on his bike to Kalagi. At the CHC, the child's health was checked and it was found that the child was weighing only 5 kg. The doctor advised the mother to give

nutritious food to the child. Narasimha regularly followed up on the child's health. Now the child is doing better by overcoming cold, fever and cough. The mother was advised to give breast milk and supplementary nutrition.

Plans: Outcome	Activities
<b>Goal Area- Education</b>	
<b>Regular Program</b>	
Promote Early Childhood Stimulation and School Readiness. (Increased enrollment in AWC[4]s among 3-6 year old children)	<ul style="list-style-type: none"> <li>· Village level awareness campaign on ECCE[5] for parents and community.</li> <li>· Identify 3 to 6 year old children and enroll them in AWCs.</li> </ul>
Reduce school drop-outs and maintaining retention (6-14 year old children enrolled in schools)	<ul style="list-style-type: none"> <li>· Meetings with children, adolescent collectives and families to identify dropouts/never enrolled children.</li> <li>· Enrolling children in schools. Counseling and motivation to school dropout children.</li> <li>· Engage in depth conversation with children who have failed exams, give them hope and motivate them not to give-up. (In context of Covid, when schools reopen)</li> <li>· Collect/prepare village-wise and school wise children details and follow up on the transition to high schools; regular visits to schools</li> </ul>
<b>Covid Specific Program</b>	
Promote Early Childhood Stimulation and School Readiness	<ul style="list-style-type: none"> <li>· Capacity building of parents to engage the younger children in learning activities at home: such as teaching them colors, animal names, fruits, vegetable names, basic numbers, alphabets etc.</li> <li>· Regular visits to AWCs and interacting with Anganwadi workers.</li> <li>· Monitor the precaution (room sanitization, clean kitchen, the Anganwadi workers wearing masks etc.)</li> </ul>

### **CBR Programme supported by Caritas India New Delhi, monitoring by Community Based Rehabilitation Forum Bangalore.**

Started in October 2013

Covering 7 Gram Panchayath – Maratur, Malagatti, Ravoor, Ingalgi, Pethshirur, Mugalnagavi, and Bhankurr, Covering 21 villages Identified Total PwDs 929.

Working areas are General, Health, Education, Livelihood, Social and Empowerment (CBR Matrix)

the objective of the Project : Improving the quality of People with Disabilities in Chitapur Taluka of Gulbarga District through CBR Strategy

In 2019-20 the following activities were conducted.

- 24 PwDs Families have got BPL Ration Cards. By this, they are getting food grains freely and getting daily stomach full meals.
- 49 PwDs have got Housing Facility now they are happily staying in their own house.
- 38 PwDs have got Disability Certificate. They are aware of their type of disability & percentage and Eligible to apply for a pension.

We have provided Aids and appliances (assistive devices) to 16 PwDs. Due to this they are able to walk easily, attend to duty and secondary deformities have decreased. Their confidence has increased, properly listening to lessons and are able to conveniently communicate with others, Participating in social functions, Listening to Radio lessons.

Provided Therapy support (physio, speech) to 37 PwDs in the working area for Improvement in Physical condition. By this CwDs are able to Slowly walk, independently attending school, properly listening to radio lessons, and are able to conveniently communicate with others, participating in social functions. PwDs started self-employment.

<ul style="list-style-type: none"> <li>• 66% (25/38) VDPOs/People with disabilities have equal business opportunities to their non-disabled peers.</li> </ul>
<ul style="list-style-type: none"> <li>• % (0/100) PwDs will have acquired vocational skills from Govt. and other training institutions.</li> </ul>
<ul style="list-style-type: none"> <li>• 25% (55/200) PwDs have access to the mainstream or disability specific social protection schemes.</li> </ul>
<ul style="list-style-type: none"> <li>• 25% (2/8) VDPOs have access to financial services from the banks, MF institutions, govt. schemes and other sources.</li> </ul>
<ul style="list-style-type: none"> <li>• 25 % (50/200) Adult PwDs have got job cards &amp; work under MGNREGS and earn for their livelihood.</li> </ul>
<ul style="list-style-type: none"> <li>• % (0/10) People with disabilities have access to loan from SC, ST, BC Corporation.</li> </ul>
<ul style="list-style-type: none"> <li>• 100 % (55/55) People with disabilities have access to 5% funds from 7 Panchayats under anti-poverty alleviation fund allocated for PwDs.</li> </ul>

5. Social
<ul style="list-style-type: none"> <li>• 87% (825/945) PwDs have treated as an equal member of the family and give their contribution to the running and management of the household activities</li> </ul>
<ul style="list-style-type: none"> <li>• 95% (900/945) CwDs &amp; PwDs have equal opportunities to participate in the leisure and religious activities of their choice.</li> </ul>
<ul style="list-style-type: none"> <li>• 85% (800/945) PwDs/families take decisions related to his/her personal life and family related decisions</li> </ul>
<ul style="list-style-type: none"> <li>• 20% (20/10) PwDs have opportunities to marry the person of their choice, in equal measure as their peers</li> </ul>

## 6. Advocacy and Empowerment

• 21 % (53/250) PwDs have taken membership with existing VDPOs and are functioning effectively.
• 47% (18/38) of VDPOs functioning effectively
• 84% (32/38) VDPOs assessed and graded using the checklists.
• 29% (2/7) Panchayat level disability monitoring committee and dist. level monitoring committees in 7 panchayat villages have ensured for effective implantation of the RPD Act and Schemes.
• 32% (12/38) VDPOs and community members have participated in tree plantation on the occasions of (van Mahotsav)
• 57% (8/14) TDPO leaders have clarity on Govt. schemes, how to access them and resolve their issues related to rights.
• 100% (1/1) TDPO have been assessed and understood the level of functioning and take necessary steps to reach grade-'A'.
• 100% (3/3) TDPO Governing body meeting have been conducted
• % (0/1) General Body cum Governing body meeting have been conducted
• 12% (3/5) TDPO leaders/office bearers have resolved 10-15 issues of persons with disabilities and also community issues.
• % (0/100) TDPO members have celebration on international day for PwDs at Block level.
• 100% (5/5) TDPO has linkages with likeminded DPOs/CBOs/ NGOs/ Networks / Govt. departments etc.,
• % (0/3) key leaders with 5 ministers / Principal secretaries advocate at state level issues
• % (0/5) TDPO leaders have been represented in the DDPO as General Body members

### 3.2.5 PROBLEMS FACED AND STEPS TAKEN TO ADDRESS THE PROBLEMS/CHALLENGES

Problems/challenges faced	Steps taken to address the same
1. Caregivers are not taking proper care of PwMI	1. By conducting Caregivers meeting and convinced them about regular medication and nutritious food.
2. Covid 19 pandemic	3. Explanation and awareness raising about the hygiene measures and protection like wearing facemasks. This is being done by all CBR team. Use the importance of washing hands also as a practical activity, ensured parents train children with CP for example, to wash their hands by themselves.
2. Parents are irregular in practicing physiotherapy.	4. With the help of DPO Leaders and neighbours convinced the parents about regular practicing of physiotherapy.
3. Assessment of PwDs.	5. By getting information from ADD India and BNI Resource Persons assessment is properly done.
4. Getting GP 5% grants	6. Collected all the government orders and put together and submitted to GP. 2 Gram Panchayath have sanctioned the amount for about 55 people.
5. Strengthening of TDPO	7. Convinced the PwDs about necessity and importance of unity and integrity among PwDs at VDPO level.

#### CHANGES / DEVIATIONS THAT HAPPENED (POSITIVE & NEGATIVE)

##### ☛ POSITIVE:

- ☛ The community people have developed trust with CBR Programme.
- ☛ The community and the family members are coming forward for the treatment of MI.
- ☛ Through efforts by Shri Hirodeshwar DPO Malagatti, The Malagatti GP has sanctioned 5% grants to 40 PwDs. Sewing machines also given to 18 PwDs.
- ☛ Pethshirur GP also sanctioned 5% grants to 16 PwDs
- ☛ Ravor GP as also sanctioned 5% grants to 49 PwDs (Rs. 5000/- each)
- ☛ Mugalnagaum GP is sanctioned Chili powder making machine worth Rs. 40,000/- to one PwD. Assured to give remaining 5% grants also to PwDs
- ☛ Maratur GP sanctioned Sewing machines to 28 PwDs.

- ☛ Ingalagi GP is sanctioned 3 tricycles and 24 Sewing Machines from 5% grants.
- ☛ More than 150 PwDs applied for different schemes to govt. departments and development boards.

#### BRIEF DESCRIPTION ON THE OVERALL ACHIEVEMENT – Impact level.

- ☛ CBR programmes has increased self-esteem as reported by persons with disabilities and parents of children with disabilities. Disabled people have become visible, they have shown that they can contribute to the family life and for the community development. Disabled people are able to contribute to the well-being of their family through financial support, maintain themselves independently, and contribute to the development of the community.
- ☛ The local Government authorities are allocating resources and are mainstreaming disability within their regular development programmes. Combined effort creates long term relation among local DPOs/CBOs and Govt. departments etc.
- ☛ There is an attitudinal change among the community, the people respect the PwDs and they invite them for their programs. They do not call them in their disability name.
- ☛ They are very much recognized and PwDs get support from the people when they start self-employment.
- ☛ The PwDs have gained self-confidence; hence they go to the offices and approach the officials. through VDPOs have filed RTI enquiring about the schemes and entitlements
- ☛ Some of the VDPOs have spoken openly about the issues that affect them in the villages and the officials have shown a positive response.
- ☛ Parents are taking interest in admitting their children to regular school.
- ☛ There is increased awareness among the persons with disabilities on disability, Govt. schemes, their entitlements, rights etc.,
- ☛ PwDs with the support of staff are able to advocate for their basic entitlements availing ID cards, housing, monthly pensions, accessing 5% funds and getting psychiatric treatment from taluk level hospital.
- ☛ The VDPOs have good leadership skills.
- ☛ Parents ensure their children are going to school, CwDs have shown their ability to perform well in schools.
- ☛ PwDs have undergone useful vocational skills and earn an income.
- ☛ Some of the PwDs have raised their issues at Gram Panchayat about their benefits and against the violation of their rights.
- ☛ Persons with disabilities have shown the community that they have skills and can contribute to family life and earn an income.

#### STAKEHOLDERS OF THE PROJECT, NETWORKING & THEIR CONTRIBUTION

<i>Describe the co-operation with other actors and stake holders in the project areas</i>	<i>What contribution did they make to the project?</i>
<ul style="list-style-type: none"> <li>• Cooperation in forming and activating DPOs</li> </ul>	<ul style="list-style-type: none"> <li>• Parents and village people cooperate with us to form DPOs.</li> </ul>
<ul style="list-style-type: none"> <li>• Local village leaders help.</li> </ul>	<ul style="list-style-type: none"> <li>• Encouraging the PwDs to avail their entitlements</li> </ul>
<ul style="list-style-type: none"> <li>• Health department</li> </ul>	<ul style="list-style-type: none"> <li>• Medical checkup camp and treatment</li> </ul>
<ul style="list-style-type: none"> <li>• Anganwadi Workers</li> </ul>	<ul style="list-style-type: none"> <li>• CwDs enrollment &amp; supply of nutrition food</li> </ul>
<ul style="list-style-type: none"> <li>• Key persons</li> </ul>	<ul style="list-style-type: none"> <li>• In identification of PwDs/PMIs/MRs and treatment</li> </ul>
<ul style="list-style-type: none"> <li>• ASHAs</li> </ul>	<ul style="list-style-type: none"> <li>• In identification of PwDs/PMIs/MRs and treatment</li> </ul>
<ul style="list-style-type: none"> <li>• PRI members</li> </ul>	<ul style="list-style-type: none"> <li>• In getting Govt. facilities</li> </ul>
<ul style="list-style-type: none"> <li>• PDOs</li> </ul>	<ul style="list-style-type: none"> <li>• In getting Govt. facilities</li> </ul>
<ul style="list-style-type: none"> <li>• Gram Panchayath</li> </ul>	<ul style="list-style-type: none"> <li>• Giving 5% grants to PwDs</li> </ul>

**MONITORING – project monitoring strategies of the organization, extent to which stake holders are involved**

1. CBR coordinator regularly visits the villages to monitor CBRWs activities.
2. He makes monthly report and submits to the Director of the organization.
3. Director makes random field visits and cross checks with the team members and organize necessary meetings with the different stakeholder of the community.
4. PwDs' and their family members, GP members, teachers and CBR staff are included in reviewing the programs
5. TDPO members take initiative to visit the VDPOs and encourage them to participate in all the activities

**EVALUATION – project evaluation strategies of the organization, extent to which stake holders are involved**

- ↻ External evaluation is been done at the end of the phase of the programme.
- ↻ Internal evaluation is also done at the end of each year.

**BEST PRACTICES – those practices adopted and practiced by your organization with respect to the PIME process of the project, which found effective and exemplary.**

**SUSTAINABILITY**

- **What local structures and capacities have been created or strengthened so far (DPOs, support groups, various committees of the community)**
- **To what extent have the roles of your organization and the target group (community, families and PwDs/DPOs) changed in the course of the process?**
- **How do you rate the sustainability of the project?**

**What local structures and capacities have been created or strengthened so far?**

- ↻ 38 DPOs are formed and strengthened to address local issues, DPO leaders and members are trained to enforce their rights in local Gram Panchayath.
- ↻ 12 Child Rights Clubs are formed and strengthened.
- ↻ 3 Village Level Advisory Committee on Disability are formed and strengthened
- ↻ The DPO members are trained in book-keeping, savings and internal money lending, advocacy issues etc.
- ↻ TDPO is been promoted and strengthened to carry forward responsibility to continue with their strategies with the support of VDPOs.
- ↻ Care givers and DPO leaders trained in Mental Health taking care of PwMI
- ↻ Created in the minds of local government that, mainstreaming the PwDs is their duty responsibility.
- ↻ By getting 5% grants from GP and submitting applications for different govt. schemes, the confidence of PwDs and DPO leaders is extremely increased.

**To what extent have the roles of your organization and the target group changed in the course of the process?**

- ↻ PwDs and their families are showing interest in DPO activities. They are participating in meetings. They are discussing their issues. With the help of Organization they are able to submit memorandum to concerned authority. Organization is also transferring its responsibility to DPOs. They are coming forward to take responsibilities. The PwDs have gained self-confidence; hence they go to the offices and approach the officials, they have sent RTI enquiring about the schemes and entitlements.

**How do you rate the sustainability of the project?**

- ↻ We grade our CBR Project 8 out of 10 points.

**3.3 Mainstreaming HIV and AIDS**

Have you done any work related to HIV and AIDS (in the past or currently) through your Organization? Please specify?

What interventions did you take up with regard to addressing the issue of HIV and AIDS amongst the PwDs and their family members/community during the reporting period?

What changes (**outputs/outcomes**) occurred as a result of these interventions to improve the lot of PwDs living with HIV/AIDS?

### 3.4. Mainstreaming disability.

i. What were your plans for mainstreaming disability at your organization?

- ☛ Inclusion of persons with disabilities in all spears of life.

ii. What are the results of mainstreaming in the following areas?

Area of inclusion in your organization(NGO)	Results
Inclusion of PwDs in the GB/EC	<ul style="list-style-type: none"> <li>• Management constituted with “<b>Advisory Committee</b>” consisting of 5 PwDs.</li> </ul>
Recruitment of PwDs as staff	<ul style="list-style-type: none"> <li>• In CBR Programme out of 4 CBR Workers 1 Worker is PwD.</li> </ul>
Accessibility within the organization – physical, information and communication	<ul style="list-style-type: none"> <li>• Access to drinking water, toilet, computer etc.</li> </ul>
Inclusion in other programmes and activities.	<ul style="list-style-type: none"> <li>• 43 CwDs are being included in child rights programmes</li> </ul>
Inclusion of PwDs in CBOs.	<ul style="list-style-type: none"> <li>• 24 Women with disabilities have been included in the women SHGs.</li> <li>• 3 PwDs are included in the Village Development Committee, sanitation and education committees</li> </ul>
Attitudinal changes witnessed towards inclusion by the management and the staff.	<ul style="list-style-type: none"> <li>• 40 Programme staff and Management committee have positive attitude towards the PwDs.</li> <li>• 100% (05/05) DLI partners played vital role in bringing positive attitude of Govt. Officials at District level.</li> </ul>

### What are your future plans for mainstreaming disability at your organization?

- ☛ Enrollment of CWDs in Anganwadi/schools/college
- ☛ Strengthen the DPOs to address local level issues at Gram Panchayath and take issues to higher authority notice.
- ☛ Informing/guiding PwDs/DPOs about how to apply & get govt. schemes and facilities
- ☛ Requesting to call grievances meeting to EO TPS
- ☛ Enforcing for district level committee.
- ☛ Enforcing for DDRC

**9. A few Case Studies: Enclosed in Separate Sheets.**

**Case: Restoration ID-96194. Age-3 Years.**

Child Name Vinithkumar S/o Baburao and Premabai, age 3 Years, native of Marpalli village in Chincholi taluk kalaburagi district.

On 25/4/2020, the child's father called CHILDLINE Sub Centre Coordinator Mr. Sundar and told that his child who was suffering from Fitz disease, was admitted to the Government District Hospital kalaburagi on 21<sup>st</sup> April 2020.

Now the Child is fully healed and discharge from the hospital. Due to Covid-19 Lock down to go to our village Bus facilities cancelled. Hence he requested transport facility to go to their village.

The same day the coordinator Mr.Sundar went to the Government District Hospital. Met child parents and collected more information. The matter was brought to District Coordinator Mr. Basavaraj tengli. He advised to contact 108 ambulances. There was no response from 108. Mr.Sundar spoke to Protection officer, district child protection unit Kalaburagi for assistance. He expressed his helpless in this regard. Finally we hire the vehicle with the help of NGO and dropped child and parents to Marapalli village. Parents and villagers expressed their heartfelt gratitude to CHILDLINE. The same is informed to Nodal and CIC/CIF.

**Case: PFA Child Marriage, ID-97966. Age-18 Years.**

Durgappa S/o Basavaraj Balaganoor and Sumangla, native of Dandagunda village in chittapur taluk. On 25/5/2020, CDPO Chittapur called coordinator and informed that the child marriage is going to conduct at Dandagunda village. So he requested to come and join the team to prevent the child marriage.

The next day The team consisting of CDPO. PDO, Supervisor, Police and CHILDLINE Coordinator went to the spot. Convince the parents, relatives and villagers about demerits and Prevention of Child Marriage Act and its consequences. Requested the parents to stop the marriage.

The parents agreed and expressed their innocence about the law. They stopped marriage and gave the written under taking. The advised to Parents attend in front of CWC after end of lock down. The same is informed to Nodal and CIC/CIF.

**Case Category: Linkaging Services, ID- 97753 & 97755.**

**Child name- Rahul 12 Years & Kusuma, Female 10 Years.**

Act, Cancellation of Marriage and attend the Child Welfare Committee for the next appropriate action. Parents write down the closure letter after being told to attend.

On 9/7/2020, Coordinator Mr. Sundar and team member Ms. Maramma was two minor Children have produced to child welfare committee along with the parents. When the girl was told her mother would not buy them her at home, than on the order of the Child Welfare Committee. The girl was checked on Covid-19 at government general hospital kalburagi, than temporarily admitted For the next consultation process on open shelter home.

**Case: PFA Child Marriage, ID-101786. Age-15 Years.**

Aishwarya D/o Madhav reddy and Vinoda, from Bhutpur village in Sedam taluk Kalaburagi district. On 4/8/2020, Chief Executive Officer Zilla Panchayat Kalaburagi office has received information on child marriage case Bhutpur village in Sedam taluk.

The same day On 4/8/2020, the Anganwadi Supervisor, CHILDLINE Sub centre Coordinator and CDPO were moved to Bhutpur village in Sedam Taluk. Go to the girl's home and explain about the girl's parents about the punishment and penalties under the Child Marriage Act. And marriage has been stopped. And then the girl's parents have given in writing that the girl's marriage will take place only after she reaches 18 years. Then we are told to attend the Child Welfare Committee. 5/8/2020, the child's parents were present at the child welfare committee, with the Covid-19 locked down, as the child welfare committee chairmen and members had video conference, discussed with the parents and advised not to do child marriage. The parents agreed for this.

Then team member went to Police station and met to PSI rushed to the site to consult a doctor and inquire about the baby. The doctor says immediately after delivery, someone leaves the baby in the bridge, Public seeing the

**Death Related Case: Abandoned baby ID-105141.**

On 28/9/2020 Kalagi Police Station Constable Mr. Sanganna called to CHILDLINE Sub Centre Director and told them that a newborn baby is dead in Kalagi town.

baby and received information, and then PSI meets them, immediately discusses with the parents for the child custody detection and child's next procedure, The Police then filed a case and starts an investigation.

**Other Intervention/ TC issues, case ID-114281.**

**Child name- Gayatri, Female /12 Years.**

Gayatri D/o Late Mallikarjun Guttadar and Kavita from Indira nagar Chittapur in chittapur taluk. On 6<sup>th</sup> February 2021 a Child's relatives calls to the CHILDLINE 1098 from India nagar Chittapur, Chittapur Taluk and complains about the school in Chittapur Royal oxford are not giving the Transfer Certificate (TC).

On 8.2.2021 the CHILDLINE staff Ms.Maramma visiting the child's home, parent's told Our daughter studying in Royal oxford English medium school, than she has passed the admission test of the government's Adarsh English medium school, But the Royal Oxford School's headmaster is our daughter's school transfer certificate Not giving. On 23.12.2020, we have written to the BEO but No help, The child mother said and has asked for help from the CHILDLINE 1098.

And then when the team member go to the Royal Oxford English Media School headmaster met and ask for school favorites to be certified in the best interests of the child, the headmaster say now does not give in, After 2 months I will give it. Then, team member call the BRC over the phone and tell the oxford school HM that the child TC not given, The BRC has a called oxford HM give to TC, even if said, not given.

Next In the further process CL sub center Coordinator was letter written to the District Coordinator of child T.C. issues, than the District Coordinator as a reference to our letter To taluk BEO and DDPI education department Write the letter. Within a week of the letter, Oxford school headmaster T.C. Have transfer to Adarsh English medium school.

The Child got the TC and submitted to the school and is going to school happily and are Thankful to CHILDLINE's staff and their service. Supporters: DDPI, BEO and CHILDLINE Nodal Center. The case has been closed.

**Case Category: Child Found, case ID-118879.**

**Child name- Rohit (Deaf & Dumb Child) Male /16 Years.**

Rohit S/o Kaliram Soren, native of west bengal state, On 30.3.2021, a Deaf and Dumb child was found at Ratkal village police station in Chincholi Taluk Now that he is near us, have given that information. The same day, the Coordinator Mr.Sundar He was gone to Ratkal police station, met the constable and received the boy's information. The boy was deaf and dumb. Originally he is from the Hooghly district of the state of West Bengal, the father strikes at home Being for some reason After inquiring the boy about leaving the home, Have come to know. And when the police search the boy's information on the trackmissingchild's website, it is confirmed that he is from West Bengal state. And the boy's full address is found. Next This information was given to the CHILDLINE District Coordinator, With his help; the boy's information was communicated to the telephone and Email of the Child Protection Unit of Hooghly District. request to trace out this child address and contact details and from where this child had missing, If any Missing FIR had lodged then please provide the details and clarification's and do the needful action. And then, check up the Covid-19 at the primary health center Ratkal, and For the next appropriate action the child welfare committee, and child has been admitted in a

children's open shelter (CCI) vishwa bhārathi NGO. On yesterday dated on 30-03-2021 CHILDLINE Sub Center Margadarshi Society Kalaburagi had protect the child and sheltered in IDO (Integrated Development Organization) Open Shelter for produce the CWC.

Child name : Pooja  
 Father Name: : Manik  
 Place : Tandur  
 Stake : Telangana

Pooja D/o Manik 8 years old girl whose parents working in Hyderabad, her sent her daughter to Tandur where his parents are there, before sending her into the train he told to his daughter that get dawn in the Tandur station, sad thing is that when Tandur station came she forgot to get dawn from the train by mistake she came up to Kalaburagi station.

During the train observation and outreach our staff saw that Child was sitting alone on the platform for a long time and they suspected something wrong happened with the child and with that suspect one of our staff spoke with the a child and understood her problem and brought her to our cabin counseled to and informed the problem to the CWC member after that sheltered her in the CCI,

After that we place her messaged in the whatsapp group and specialyshered this matter with the Tandur Child Line Coordinator, he also began to find the child's guardians, at the same time when the pooja's parents heard that child was not reached home they afraid and began to search and given the complaint in the Rangareddy police station, even pooja's father Manik while searching his daughter in the tension he met with an a accident and he was in coma for a month.

By the time Tandur coordinator found the address of the child and given all the information to the house members and given them our contact number, and they called us taken information about child and we guided them to contact CWC member after that CWC member transferred the child to Rangareddy CWC and from there child is reunited with the parents.

Child name : Abdul Rehaman  
 Father Name: : AbbuBakkar  
 Age : 4 years  
 Place : Pune  
 Stake : Maharashtra

On 11<sup>th</sup> March 2020 AbbuBakkar was travelling with his family member from Pune to Chitapur by hussainSagar train for one of his relative's marriage. AbbuBakkar and his wife were sleeping and some of his family members were in another compartment. AbbuBakkar's son Abdul Rehaman got up and went in search of his grandfather grandmother and family members who were in the next compartment and unfortunately he could not anyone so he went next compartment likewise he crossed the 3 compartment then child began to cry.

By that time train was reached to Kalaburagi Station and when the passengers saw the boy with crying and they thought that in hurry burry parents might have left the child hence passengers dropped the on platform from the train. Public informed our staff and our staff brought the child informed to the station manager and RPF as well.

With help of people and stakeholders of the station understood that parents are in the train and by the time train was already left station. After this RPF passed the message to the another police who is in the train then police found out

the parents and informed about their child and they got down in the Shahabad Station came back to Kalaburagi station by another train.

Message was informed to CWC member and in-front of Station Manager and RPF police we handover the child to the parents.

### **Margadarshi Society for Urban homeless citizens - Day & Night Shelter Project** (Project sponsored by City Corporation, Kalaburagi)

Since 2010, the Kalaburagi City Corporation had started the shelter for the urban homeless citizens at Kalaburagi. Opened Night shelter home with all facilities to provide shelter and food for homeless people during the winter months. Each site offers a warm, safe place to sleep, provides meals(dinner) and then asks the guests to go to their places the following morning. The program is a unique way for people of faith to become directly involved with people who are homeless. The simple goal is to keep homeless people provide safe shelter in the shelter homes and keep away from cold winter nights. A greater goal is to provide a more personal relationship with homeless people, at least for a night, and a deeper understanding of the depth and complexity of the issue.

During the period 2011-2012 season, Margadarshi Society Kalaburagi provided a total of 200 overnight accommodations to 129 people in the program on the following priority basis:

- Women or men with children, Women, Senior Citizens (age 60+) and Men or Men with a disability.

Homeless persons queue up at the back door of the shelter home from 4:00 PM for a carefully formatted intake and registration process. They must show a state-issued identification card, and those do not have identity card are also provided shelter after some questioning after ascertaining their authenticity. Each person's data is entered into our database to help us determine who is using the program and how often.

Writes one grateful neighbor: *"For moments each night, if I am fortunate, I sleep not as homeless in the street, but with warmth and friendship, Margadarshi. Somewhere during the evenings of friendly faces, showers, videos, and jokes, laughs and, I was transformed from homeless to someone with a misfortune. I no longer view the world from ground level, where each may look down on me. I view the world from ground zero, where each may view my launch. "I thank you, all who volunteer for this program. You have given me fortitude, I am sure that I am not alone in this."*

1. Rapid Survey:  
Details of Rapid Survey:

Margadarshi Society conducts Rapid Survey 2 times in a month in the below mentioned 7 places. The objective is to find the homeless citizens and get them to the night shelter by auto. We collect information about these persons and counsel them and find out the reasons for they being away from home. We provide Society Identity Card to these homeless citizens.

During this year we have conducted 24 rapid surveys and we found 206 urban homeless citizens. 59 persons are getting services of the Margadarshi Society Night Shelter. Overall, 340 old urban homeless citizens are also taking the benefits of the night shelter facility.

*Sheha clinic, DDUGKY Received Child martial skills about and Discussions on school issues, Sowing Training Child rights, Children's health and many other tonics*

*Were discussed and included Suggestions. And bank, post, visit with the Adolescent to learn how to apply bank Forms in accordance with the transactions in the bank and the post office.*

### WHAT WE DO

Girls Leadership teaches girls to exercise the power of their voice through programs grounded in social emotional learning. We provide programs for girls, workshops for families, and professional development training for teachers, guidance counselors, and non-profit staff. Girls Leadership centers gender and racial equity in our work to address the internal and external barriers to leadership development.

### RESEARCH & INNOVATION APPROACH

1) Innovation engine: We innovate in our Power Lab, a unique partnership model where our staff build relationships with girls, study and listen to their needs, and then design programs to meet these needs. Programs are validated in the Power Lab to ensure impact is applicable to all girls. Our current labs include the Student Leadership Network in New York and Latitude High School in Oakland, CA.

2) Impact engine: Once we have evidence that programs are working in the Power Lab, we scale that impact by training professionals and partner organizations nationwide.

3) **Advocacy engine:** By designing programs to meet the needs of our most marginalized girls, we teach girls the skills they need to exercise the power of their voice to defy the systems that silence them. We partner with schools, community-based organizations, and programs to build their capacity to understand their vital role in upending these systems so our girls can come of age within supportive and healing environments.

## VALUES

We structure our work around four central values: Authentic Communication, Courageous Growth, Equity, and Play.

## WHAT MAKES US UNIQUE?

1) Girls Leadership works not only with girls, but also with their primary influencers – parents and caregivers, teachers, and program staff – to create systemic and scaled impact.

2) We put social and emotional learning (SEL) at the foundation of leadership development.

3) We see girls' every-day relationships with peers, friends and family as the primary opportunity to develop and practice the leadership skills that generate agency and influence over a lifetime.

## LEADERSHIP workshop

Leadership is making others and situations better as a result of your presence, and making that impact last in your absence. This work can begin at any age, and doesn't require a title or role.

From this programme the girls will get courage to talk, participate in games and other curriculum activities as well as studies.

Feedback of girls

Chithra kurikota says from this programme I have passed 10<sup>th</sup> std. and I got curates success in my life.

## BY INTERFACE MEETING for Adolescents at VILLAGE Level

Total Program	Adolescent girl	Officers	EWRS/staff

During COVID -19 people are suffing lots of issues like food is main proble beocuse there is no work people are nat able to come out of the family Govt. Strictly ordered not come out of the family, if there is no work no money if it is no money no food,

We have give lots of Awareness prgramme through Auto Announcement shot meetings etc,
