Memorandum of Understanding

By And Between Jiv Daya Foundation &
Prabha Bharti

This Memorandum of Understanding ("MOU") describes the terms and conditions under which Jiv Daya Foundation ("Jiv Daya" or the "Foundation") will provide funding and assistance under its grant program to Prabha Bharti (referred to herein as "NGO" or the "Recipient"). Details regarding the Project Grant Program, including the scope of the project, responsible personnel and the scope of financial and other support to be provided under this MOU, are incorporated in this MOU and forms a part of it. Appendix 1 & 2 (Description of project and grant program) Appendix 3 (Payment information) should be completed by the Recipient and returned to Jiv Daya.

BACKGROUND REGARDING JIV DAYA FOUNDATION

Jiv Daya is a private, not-for-profit, non-governmental foundation founded in 2002 by Dr. Vinay Jain and his family. Jiv Daya Foundation is registered in Dallas, TX USA as a private not-for-profit charitable foundation, under section 501 (c)(3). Dr. Vinay Jain is the founder and authorized person to sign any agreement on behalf of the Jiv Daya Foundation.

Jiv Daya's mission is to improve quality of life around the world. To that end, Jiv Daya seeks to establish long-term collaborative partnerships with medical institutions and physicians and to promote alliances between cancer centers, hospitals and health professionals across the globe to help ensure that available expertise is maximally used.

Jiv Daya's primary focus areas for giving include pediatric oncology, pathology, palliative care, disability assistance and maternal health care. In these areas, Jiv Daya works with partnering institutions and organizations to create capacity-building projects that will improve the infrastructure of care in developing countries such as India. Depending on need, Jiv Daya may provide equipment, salary support and/or training for physicians, nurses, social workers, counselors and data managers. The Foundation also seeks to expand and improve data collection methods for follow-up purposes by developing online databases for use by partnering institutions. In addition, Jiv Daya provides support in forming alliances and consortia of organizations to facilitate access to knowledge and technology transfer. Further information about Jiv Daya Foundation is available on its website at http://www.Jiv_Dayafound.org.

I. GENERAL TERMS AND CONDITIONS:

The recipient agrees to conduct all project activities in compliance with the Foundation's standards and principles for grant awards, including the following:

- **Purpose:** Project Grant Program support will be provided only for the purposes stated in this MOU, and grant funds shall be used for such purposes substantially in accordance with the budget set forth in the budget section of the MOU. No substantial changes shall be made from the approved budget without prior written approval by the Foundation. Recipient acknowledges and understands that, under United States law, Foundation grant funds, and

income earned on those funds, may be spent only for charitable, religious, scientific, literary or educational purposes.

- Inspection of Documents: Recipient agrees to provide Jiv Daya with all relevant information and documentation relating to the project that may reasonably be requested by Jiv Daya relating to the use of grant funds. Such information and documents include, but are not limited to, background and qualifications of personnel, written information given to staff and patients, data collection and analysis reports, periodic progress reports, development updates, expenditure reports and other appropriate reports and documentation. Jiv Daya Foundation will review such documentation to ensure the validity of the project and proper use of funds.
- Reports: Recipient agrees to provide reports as detailed below.
- Acknowledgements: Recipient will acknowledge Jiv Daya support in all posters, publications and the like discussing data collection, or the progress made possible by the Project Grant Program.
- Use of Photographs and Information: Recipient will give permission for Jiv Daya to use photographs and other information on the Jiv Daya website and in Jiv Daya publications and materials.
- Confidentiality: Jiv Daya will protect the confidentiality of information and data provided by the Recipient. Recipient and Jiv Daya each agree to use all information and data disclosed to the other party in connection with the Project Grant Program in furtherance of their common goals.
- Payments: Jiv Daya will make all payments under the Project Grant Program to Recipient over four weeks, contingent on receipt and approval of proper reporting to demonstrate the impact made and a detailed breakdown of expenditures.
- Bank Accounts: Recipient should arrange for Jiv Daya grant funds to be kept in a separate bank account or separately accounted for whenever possible. An institutional Secretary or finance Secretary must sign and certify financial reports sent to Jiv Daya.
- Return of Unused Funds: Any grant funds, and any income earned on grant funds, that are not spent or committed for approved purposes in connection with the Project Grant Program as described in Appendix I *must* be returned to the Foundation.

 - iii. to undertake any activity for any purpose other than the charitable purposes specified in Section 170 (c)(2)(B) of the United States Internal Revenue Code.

Please contact the Foundation should you have any question regarding permitted activity

JIV DAYA FOUNDATION'S PRE-SCHOOL NUTRITION AND EDUCATION

Objective:

Provision of daily Milk and biscuits to children to prevent Stunting, wasting and underweight children from 6 months to age of 5 years in the villages.

As a direct response to the problem of malnourishment highlighted in the published Lancet study highlighting the disparities between states, Jiv Daya Foundation has put together a framework for action in Village based intervention and programs. The framework focuses on the most effective option of preventing and correcting malnourishment in children by provision of Milk.

JDF aims to support villages not only to ensure that children receive adequate daily nourishment through milk, but also to engage in the learning activities to impact their overall health and wellbeing.

Solution

1. Through extensive research and trials, JDF has concluded that 150 ml of milk prepared by Amul Spray powder (Amul) is highly effective in meeting Daily Recommended Dietary Allowance (RDA) for the children under the age of 5 years.
2. Amul Spray Powder formula not only addresses daily requirements for Protein, Carbohydrate and fat but also has added Micronutrients which are required to encourage steady growth in children.
3. Amul Spray Powder is locally available, and taste is acceptable to all the children due to its sweetness.

Selection Criteria

1. JDF's Regional Project officers will identify and visit villages from non-profit partner Organizations to collaborate on Nutrition projects.
2. The focus will be on children from Tribals, Dalits and communities that are marginalized with very poor socio-economic status.
3. After Initial assessment of the villages, demographics, geographic and socio-economic survey of the villages, 1 village will be selected for the Pilot project.
4. NGO partners will collect Anthropological (Height and Weight) data from the children from 6 months to the age of 5 years from the selected village before the project begins to establish baseline data and submit to JDF.
5. The regional project officer will conduct a Trial of the Pilot Project during the visit with Amul Spray Powder for three consecutive days to assess the feedback from the children and their mothers.
6. After the Pilot project JDF will sign the MOU with the Non-profit organization for the selected village for the duration of 1 year.

Implementation

1. NGO Responsibility

a. Setup—Center for the Project

- i. Mandatory to set up a room / hall / covered space dedicated to running Education and Nutrition projects 6 days a week. Room could be from a local Anganwadi / NGO center / Samudayik Bhavan / Volunteer / Sarpanch's-Home
- ii. If children cannot accommodate at the same time please divide them in batches
- iii. The room should be big enough to accommodate 40 - 60 children at any given time comfortably.
- iv. If such a center is not available, it should be discussed with JDF for an alternate arrangement.
- v. Lack of covered centers results in canceling Activities during Rainy days and children miss out on Milk.

- vi. Children should be seated in rows / big circles for easier distribution of milk. Please provide chatai, dari, shataranji, tripal etc for children to sit on instead of bare ground.
 - vii. It is not acceptable to make children sit on bare floors , mud or drink milk while standing.
- b. Sitting Arrangement and milk Distribution
- i. The NGO will dedicate 1 room from the Local Anganwadi center or NGOs center in the village to run the program 6 days a week.
 - ii. Appointing Village Volunteers to prepare, distribute Milk daily and clean the utensils with help from JDF's Project officers.
 - iii. Monthly Procurement of required Amul Spray Powder for the distribution. On an average 1 Kg of Amul Spray powder yields 8 Liters of Milk which is sufficient for 55 children. It can be stored at room temperature in the Aga wadi Center, accessible to village volunteers.
 - iv. Keeping Daily Inventory if the available cans / boxes.
 - v. Maintain cleanliness and hygiene at the Milk distribution center
 - vi. Conduct meetings with Parents of children before beginning the project so the community is engaged and understand the program and its objective and encourage them to participate daily.
 - vii. Make batches of 50-60 children depending on the Number of children in 1 village. If there are more than 90 children, please distribute milk in different batches as per age groups.
 - viii. Designate time of the day for children to gather every day at the same time and encourage parents to bring their children at the same time.
 - ix. Timing – Daily 7:30 am to 10:30 am for Monday through Saturday
 - x. Milk to be prepared fresh daily with proper procedure and guidance provided by JDF Officers.
 - xi. All children must be seated and given milk at the same time, no roaming around during milk distribution except for children under 3 years. If there are many children, divide them into batches and schedule time for each batch.
 - xii. 1 Kg of Amul Spray yields 8 Liter of Milk which is sufficient for 50-55 Children with 150 ml in a glass. Do not dilute powder further than that as children will not benefit from diluted formulas.
 - xiii. Volunteers should store formula at clean and dry places and share weekly inventory.
 - xiv. NGO partners should be able to provide Nutritious Snacks to the children from local sources in addition to Milk. E.g. Biscuits, Ladoo etc.
 - xv. Provision of Additional Supplemental Food items from Local Funding e.g. Ragi Ladoo, Biscuits etc.
- c. Anganwadi Worker / Village Volunteer responsibility
- i. Timing – Daily 7:30 am to 10:30 am for Monday through Saturday
 - ii. Preparing Milk with clean utensils and water, mixing Formula in Lukewarm water and serving each child lukewarm milk.
 - iii. Gathering Children on Time in the morning, washing Hands before the milk is consumed. Children will bring Steel glass from home every day.
 - iv. Ensuring teachers are engaging children in teaching basic Alphabets, Numbers, colors, shapes after Milk is consumed and sending the small videos and pictures on WhatsApp.
 - v. Daily Report on WhatsApp group on Attendance, Amount of Amul Spray Consumed.
 - vi. Cleaning utensils and preparing for the next day.
- d. Hygiene and cleanliness
- i. Maintain cleanliness and hygiene at the Milk distribution and milk preparation place.

- ii. Encourage children to wash their hands, take baths, wear clean clothes, comb and tie hair before coming to the center.
 - iii. JDF Team will monitor the appearances/clothes/hair of the children coming for Milk consumption daily to ensure proper hygiene practices are maintained.
 - iv. We expect Improvement in children's overall appearance within 2 months if NGO Partner and local community are engaged
- e. Kits for Children
- i. All children must be provided with 1 pair of Clothes (Yellow and Blue Uniform), Shoes and Steel Glass within 1 month of Project starting as per MOU.
- f. Learning and Education
- i. After Milk is provided, 1 hour is spent by Volunteers to teach all children Local / Hindi Alphabets, Numbers/Counting, Colors, Shapes etc.
 - ii. Provision of Slates and Chalk to each child
 - iii. If you need Education material can be provided by JDF for the guidance which can be printed locally.
 - iv. We encourage you to provide Varnmala / Coloring books to children in regional language from local sources.

2. JDF Support

- a. Funding to procure Amul Spray powder and Clothes and shoes from local Distributor in phase wise manner after signing the MOU
 - i. Rs. 2500/child/year for Nutrition Support
 - ii. Rs. 500/child/year for Education, Basic Clothes and Footwear support (Yellow and Blue Uniform)
- b. One time the cost for Utensils for Milk preparation and Distribution, monthly cost for Gas cylinder dedicated to use for this project.
- c. Rs. 35 for 1 Steel Glass per child in the village
- d. Monthly Honorarium for the Village Appointed Teacher and helper to run the process daily at the village.

3. Process of reporting

- a. Once the pilot program starts, the online reporting form will be shared by Regional Project officer
- b. The daily report will consist of
 - i. Pictures of Milk distribution
 - ii. Pictures / Video of education activities for that day
 - iii. Pictures of Attendance register
 - iv. Text message with details as
 - (a) Number of Children Present
 - (b) Number of children absent
 - (c) Quantity of Milk powder used in grams
 - (d) Additional Item provided by the NGO from local funds
 - (e) If milk is not distributed that day, then the reason for the same
 - v. Daily reports should be sent every day by 2 pm on the WhatsApp group
- c. 6 monthly reports
 - i. A total of 2 reports are required to be submitted at the interval of 4 months after program initiation.

- ii. To assess the impact of the daily provision of Milk on child's overall health in terms of weight and height gain.
- iii. This report should be submitted using SM apply software every 6 months after measuring height and weight of the children

PROJECT COMMENCEMENT AND TERMINATION

This MOU will become effective on the date that it is fully executed by both Jiv Daya and Recipient. The term of the Project Grant Program is as described in this Appendix 1. The Project Grant Program may be terminated by Jiv Daya at any time before expiration of its term if Jiv Daya determines, in its sole discretion, that cause for termination exists. In the event of such termination, Jiv Daya will provide Recipient with written notice of termination, documenting the reason for termination. Circumstances that may warrant termination include, but are not limited to:

- Determination of unexpected, significant or unacceptable risk to Beneficiaries.
- Failure to spend funds solely for the purpose of the grant program.
- Failure to share documentation, reports, and status updates with the Foundation.
- Failure to share information on staff or to provide adequate information on practices.
- Insufficient adherence to Jiv Daya Foundation requirements.
- Non-compliance with monitoring processes or procedures.

- Insufficient or incomplete data, or data that otherwise cannot be evaluated.

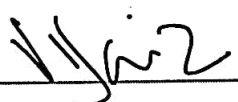

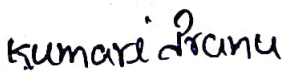

In the event of discontinuation of the Project Grant Program prior to the end of the term, the Recipient must return to the Foundation all unexpended grant funds, in an amount to be agreed between the parties. MOU may be renewed on negotiation between the parties and in writing.

OTHER ELEMENTS OF THIS AGREEMENT

Any notice required by this MOU shall be sufficiently given if sent in writing by email, addressed in the case of Jiv Daya Foundation to: teamindia@jivdayafound.org and in the case of Recipient, to the addressee then on file with Jiv Daya.

This MOU, including its attachments, represents the complete agreement between the parties regarding its subject matter and supersedes all prior written or oral promises, representations and agreements regarding the same subject matter. This MOU may be amended or modified only in a written document signed by duly authorized representatives of Jiv Daya and Recipient. This MOU may be executed in two or more counterparts, each of which will be deemed original. If any provision of this MOU is held to be unenforceable for any reason, that unenforceability shall not affect the enforceability of any other provision of this MOU, and the parties will negotiate in good faith to substitute an enforceable provision with similar terms.
