

Raksha Foundation

INTRODUCTION

Raksha foundation was founded in 2019 to serve the needy underprivileged people. It has been in the field of social welfare for more than 3 years. Raksha foundation provides medical care, education, and other recreational activities for these communities.

Vision

It intends to empower the deprived for education, social & economic self-reliance.

Mission

1. To endorse and uphold RAKSHA FOUNDATION as an organization dedicated to building a society.

We had participated in the TB (Tuberculosis) awareness program to spread awareness to the people about how tobacco consumption is affecting our lives, which means lung disease and mouth cancer liver damage etc this campaign has road show/rally by showing banners and flexes of how tobacco is dangerous to us.

For this we had appreciated/awarded by raja rajeshwari hospital for doing a social duty as a citizen

Raksha foundation also helped the housewives who are not aware about women schemes which are provided by the central and state government like Mahila Udyam Nidhi Yojana, Mudra Loan for Women, Mahila Udyam Nidhi Yojan, Santhwana Scheme, Samriddhi Scheme: Microcredit: Karnataka Udyogini Scheme etc.

FY 2021-2022

We had distributed note books to the migrated children who could not afford to buy books to write notes because their parents are street vendors which means their life style is balloons and toys sellers on the roads also they will reside in tents on the footpath it was very difficult to buy stationary to their children.
