

Raksha Foundation

INTRODUCTION

Raksha foundation was founded in 2019 to serve the needy underprivileged people. It has been in the field of social welfare for more than 3 years. Raksha foundation provides medical care, education, and other recreational activities for these communities.

Vision

It intends to empower the deprived for education, social & economic self-reliance.

Mission

1. To endorse and uphold RAKSHA FOUNDATION as an organization dedicated to building a society.

We had distributed sanitary pads to the government high school girls for their monthly menstrual cycle as well as we had given awareness about do's and don'ts while at the time of periods to maintain hygiene. We had distributed 250 the girls

We had stepped into social service to serve the underprivileged. We had mobilized more than 700 youths in the proposed community We had undertaken a project which is a livelihood program to train up the underprivileged youth in terms of a 3 months course which contains personality development skills and other technical skills like basics of computers and about retail sector and other aspects etc. this program has been supported by kesar and marble granites ltd total 80 outreach of beneficiaries of this program is. From apr 2023 to June 2023 40 youths have been trained and we have completed 70% placement in different sectors. Under training 40 youths.

Conducted a Community awareness program to women's like house wives and unemployed women's about women schemes in the society like tailoring coaching classes and beautician classes as well as about self help group (SHG) also given information about central and state government schemes like mahila samman yojana, udyogini, sukanya samruddhi yojana etc in this program **82** beneficiaries has been benefited. This program has been supported by

Conducted tailoring classes to the unemployed women's and housewives to make them independent and self employed this program has been supported by Kesar marbles and granite ltd 40 beneficiaries had benefited through this training. Still 40 beneficiaries are under training

Again we have best program for the micro entrepreneurs this program which **Swathi mahila sangha Bangalore**

In this training we had given more useful information about how to develop the business in terms of customer interaction and customer relationship and using digital media for the promotion and as well as for the income etc in this training we had trained 25 micro entrepreneurs
