

As per the organization's goals, objectives and annual action plans for the year 2022-2023, the organization's programs have been successfully managed with the help of donor organizations from government departments and women and child development department, Zilla Panchayat Comprehensive Child Protection Society, Karnataka State Child Rights Protection Commission, ISILAR' Vision Foundation Bangalore and people. Feels happy.

1) Women Empowerment Programme:-

Conduct various economic activities and skill development trainings for members of women's aid societies through Jai-Kisan Paina and others. Loan facilities are available from government departments. Also, many of the self-help societies have increased savings in their society, so all members of the society are involved in economic activities by availing loans.

2) Scheme of Biogas Program for Farmers:-

Search firm Systema Bio. The Company and Infosys Company have decided to start the project in these three taluks Badami, Hunagunda and Bagalkote of Bagalkote district from April 1, 2022 under the sponsorship of the company and a total of 30 volunteers, 10 volunteers from

each taluk, have been identified to work on the Manure Gas Project. Training was conducted. At each gram panchayat level, the gram panchayat, officers and staff will be informed by visiting each gram panchayat to identify the farmers who are eligible for this scheme and the works selected in this scheme will be as follows. The following are the criteria for volunteering

2. Survey Mobile App Stin Touch Mobile is mandatory
3. There should be two wheeler vehicle system for visiting villages.
4. Must be interested in working with farmers Must have
5. After all, interested in providing Manure gas kit to the farmers

3) Raith criteria for this manure gas project are as follows:-

1. Farmers should have at least 3 to 4 cows in their house.
2. There should be an arrangement of 12*12 empty space around the house.
3. Farmers taking pit in their Contubusion 1212 place and one
Arrangement of GIO pipeline.
4. Farmers should have minimum 2 to 4 acres of land.
5. Must be interested in gasification of manure.
6. After gas, fitting, 30/40 kg dung should be soaked in water every day. F «ZÁgÀÁV
In order to demonstrate this to the farmers in each of the 3 taluks, one model has been set

up for the farmers. This will be arranged in Mamtageri of Badami taluk, Bhagwati of Bagalkote taluk, Kamtagi of Hunagunda taluk and after informing the farmers of the respective taluks about this project, arrangements will be made to explain them in person. After November 2022, this program was extended to Mudhola Jamkhandi and the remaining 3 taluks of Bagalkote district were dropped. to work

1) ÀÀ ÉÜAiÄÄ 25 £ÉÄ aÁ¶ðPÉÆÄvÀiªÄ ÄªÀiÁgÄÄ'sÄ:

A search firm. The silver jubilee ceremony was organized on 27/08/2022 at Kala Bhavan, Navnagar, on the day of the program, at 9:30 am, the sale shop of the self-help societies was inaugurated. Then the Belli Mahotsava ceremony program was inaugurated at 11:00 am by lighting the lamp. Director Shri. M. Venkatesha said, "It is a great honor that Search Self Service Organization has been functioning continuously for the past 25 years. This organization is mainly working with children, women, disabled people and farmers... many programs... It has been helped, mainly through self-help groups, women's empowerment programs, providing loans of millions of rupees to each woman to engage women in economic activities, to make women's families and society respectable.

Mr. Ramesh Sulikeri, JM Officer, Bagalkote, who arrived as the inaugural function of this program, said that he has observed the work activities of this organization from close proximity and that it is working very selflessly and implementing many projects in a very good way. I am very happy that this organization is completing 25 years now. The chief guest of the program is Dr M.G. Dixit Governing Body Member Speaking I have been associated with this institution for the past 20 years and have done my Ph.D. from this institution.

This organization has the experience of working very strongly in rural development and viharas. When I visited the village of Benala in Hunagundu tallu during my Ph.D., when Venkatesha went to the village, we saw that he had gone to the village and left all his pottery work and joined our team.

Seeing some of the women smearing flour on their hands, I asked them if they had stopped making roti. Yes sir, I am glad you came. The work was done, he said. I was very happy to hear this. This is how it works...like doing. He opined that it is the only organization that is pro-people.

In this program, the beneficiaries of the organization such as Mr. Balakrishna Chopade, Mahalingapura Ms. Basavva Hueda, Kamatagi Ms. Basamma Hiremath, Sindagi Ms. Shantavva Hadapada Ramtala expressed their views that how we have developed by taking benefits from the organization.

More than 500 people participated in this program including all management board members and staff of SEARCH organization and farmers of self help society members and various community leaders and youth. A felicitation ceremony and mementos were distributed to all the management board members who participated in this program. Self-help groups exhibit silk sarees, llakal sarees, and bags and food items and fertilizer gas kit....which are displayed and sold to the people. The program will conclude at 5.30 pm.

5) Search Special Adoption Center Navnagar Bagalkote.

Search Special Adoption Center Navanagar, Bagalkote is there and this program is functioning under Integrated Child Protection Society and District Child Protection Unit.

1. Regarding holding a consultation meeting of adoptive parents regarding the adoption ceremony.

On 28/11/2022 a consultation meeting of adoptive parents was held at Search Institute. About 70 parents were present in this meeting, parents who have adopted children and parents who have registered for adoption. In this meeting Deputy Director Women and Child Development Department Mrs. Akkammadevi K.H. Also Child Development Project Officer Mrs. Shilpa Hiremath and District Child Protection Unit Mr. Keshavadas were present. In this meeting adoptive parents will be informed about the new adoption guidelines and amended acts regarding the following matters. 1. Provided information about Online Registration System Center and Adoption Resource Officers.

2. Gave information about the documents to be submitted for adopting a child.

3. Gave information about planetary investigation report.

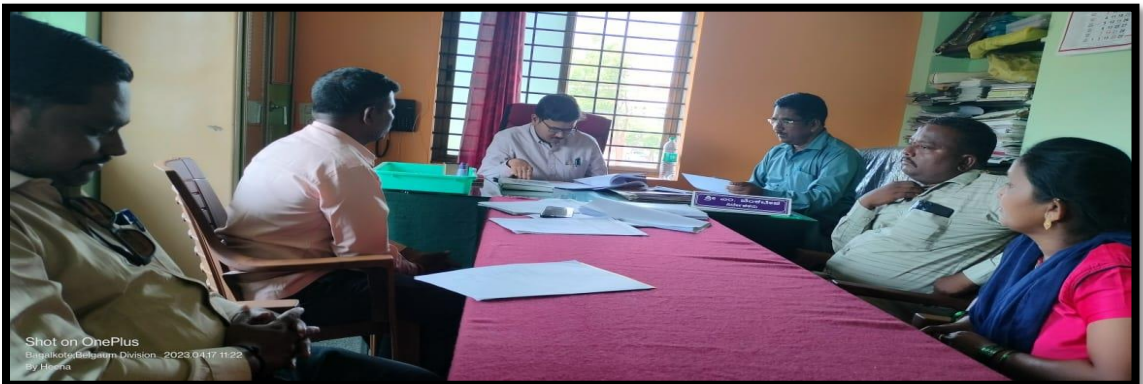

4. Gave information about the adoption process as soon as the child was born from Kara.

5. An Adoption Advisory Committee process is conducted in each adoption agency.

6. Eligibility criteria informed by adoptive parents.

7. Gave information about the Ps fixed by the government in these adoption

programs.

Regarding meeting of Adoption Advisory Committee. The adoption process of 9 children for the year 2022-23 in the special adoption agency has not been completed and after these adoptive parents are matched by the Central Adoption Resource Authority, the documents of the respective adoptive parents are brought from their primary adoption agencies, discussed with the adoptive parents and review their documents, identify the eligibility of the parents to conduct the adoption process, and our adoption advisory committee approves. Adoption process is completed completely. In this way we have got these details with 9 adoptive parents so far. After this, the children are handed over to the adoptive parents under foster care and after obtaining the adoption orders from the court, the birth certificates are collected from the Bagalkote Municipal Council and these original documents are provided to the adoptive parents. Among these 9 adoption cases, Nataraja Suresh couple of Puttur... Vilanadu, who is 12 years old, adopted the girl and sent the child to Poser Care. However, the child was sent back as there was an agreement between the adoptive parents of the child. This child is in the rehabilitation system of the Government Girls Bal Mandir.

6 taluks of Bagalkote district namely Badami Hunagunda Bagalkote Bilagi Mudhola Jamkhandi Staff of Primary Health Centers coming in these taluks Asha workers and Anganwadi workers to the members of Self Help Associations and the new Adoption Guidelines 2017 are given information about the adoption process related laws policies and arrangements of the adoption program. A total of 560 people including 70-80 people from each taluk participated in this orientation program and got this information.

About holding workshop on child laws at taluk level-

Taluk Legal Service Authority Badami, District Child Protection Unit. and Sarcha Swayam Seva Development in conjunction with which an orientation program was conducted for the members of the Building Workers' Union at Badami on the adoption program. Member Secretaries of Legal Services Authority, Senior Justice Shri Hanumanthappa, Labor Officer Shri. Raju Kurudagi, District Child Protection Officer Mr. Keshavadasa, the director of the search firm Shri.M. Venkatesha co-director Smt. Dr|| Manjula Joshi participated. 70 Shibharthis...participated in this. Mr. M. Venkatesh, director of the organization, gave information about the new guidelines.

3. UÀÈ°À vÀπSÁ aÀgÀçUA¼ÀÈÀÄß aÀiÁrgÀÄaÀ PÀÄjvÀÄ.

For the year 2022-23, 12 adoptive parents are registered in our special adoption agency in Bagalkote district through new adoption guidelines and ON. As per the guidelines of the Central Adoption Authority, visit the homes of each adoptive parents and check the documents and information provided by them and prepare a detailed home investigation report observing the arrangements of the homes and families. The report is submitted through

Regarding the monthly staff meeting of the adoption agency:-

The coordinators, social workers, respective staff members and doctors working in the adoption agency hold a meeting with them every month to discuss the management and arrangements of the adoption agency and the staff are advised to work as per the following directions.

1. To discuss in detail how an adoption agency should be managed.
2. Discussed about child food and health and other arrangements.
3. Discussing rooms with children.

4. To submit reports from time to time to District Child Protection Unit and District Child Welfare Committee regarding maintenance of records of children and adoptive parents.
5. To discuss renewal of license of adoption agency.
6. The staff is very time conscious about cleanliness
7. Regarding taking care of hospitalized children due to various reasons.
8. Discussion about taking leave of staff
9. Safekeeping of files of children and adoptive parents.

About Child Care Centres.

Sarcha Swayaam Seva Development Institution (SDA) Navnagar Bagalkote, Shipala Kendras, Child Care Centers at District Administration Bhavan and Rabakavi-Banahatti will be started by 2022-2023. This program is licensed and funded through Zilla Panchayat and Women and Child Development Department. One in each infant care center. There will be staff who will do their respective work. the husband There are 25 children in the childcare center. For these children from 9 am to 6 pm, all kinds of arrangements are made for the children who come here with milk, fruit porridge and lunch and breakfast arrangements for the children. The staff there take care of the children very carefully and in terms of health, the pediatric specialist doctor visits the child care centers every week and conducts medical check-ups and so on. Troubled children are given medicines. The objective of the program is to ensure that employed parents and working women do not find it difficult to go to work after taking care of their children. The children in the childcare center are happily brought by the parents to the center in the morning and dropped off. 9 Very often they come inside at 6 o'clock in the evening and take away. Parents are saying that this program is very favorable for us.
