# Sri Vinayaka Charitable Trust

Sri Vinayaka Charitable trust is a Non Profit and Non-Government organization, Registered under Indian Trust Act-1882 on 24<sup>th</sup> November 2014 and Recognized by state Government, Central Government Niti Aayog, Ministry of social justice and empowerment and income tax Department from past 6 years organization is actively involving and conducting many social, economic, cultural, educational and health welfare programs and camps at rural level to uplift economically weaker sections. Vision of the organisation is to empower schedule caste (SC) Schedule Tribe (ST) and other backward (OBC) section children, women and old age dependents by organising health awareness programs, conducting medical camps and facilitating Nutritional food and health supplements. In order to participate actively, the organisation conducts public camps Three days every month one day is dedicated to women and children, next day is for old age dependents and the last day is open for all public. Apart from this organisation has permanent old age residents and it's the home for destitute women and children. We are working in the area for the past 6 years and making concerted efforts to alleviate rural poverty by taking up various ameliorative measures to improve livelihood conditions of rural poor especially SCs, STs, and other backward classes. The organisation employed measures such introducing vocational Training courses other development activities necessary to empower youth. Help groups of women and to strengthen socioeconomic base of rural households besides we had set up old age home for helpless senior citizens belonging to highly impoverished backward class families. We have been involving community members to take part in the village sanitation activities, health and hygiene, child rights, empowering unorganized women workers with legal resources and training to youth in skill development. The organisation within its limited resources and generous public contributions has had implemented the following activities during the reporting period.

# Sri Vinayaka Charitable Trust

- **1. Old age Home**

- The Rehabilitated 25 Senior citizens healing from SC/ST and other weaker sections at its old age home set to take care of vulnerable senior citizens who have been left home alone by their sons as they migrated to cities and towns in search wage labour. The trust has taken necessity measures such as appointment staff to take care of health and food needs to inmates. The medical professionals have also been visiting the old age home to check up health and of necessary getting them in the hospital for better nursing care, 8 years back organised a Vinayaka Charitable Trust for Old age Home. This institute giving nursing care, medications, The Therapists, Bedridden, patient care, Old Age Care, Rehabilitation Centre for providing institutional care specialized service for Old Age People or Elders. Trust Organized some Medical Camps in Doddaballapur, Tumkur, Hegde Nagar and Basavanagudi. This Programme increased awareness about dementia among the general, Public. It was well received by the media as well as the public

- **Health Care to Inmates:**

- Necessary medicines prescribed by the doctors to the individual inmates having been dispensed to each inmate in time by the care taker round the clock.

## 2 Health Camps

- The Staff organised awareness camp group meeting, focused discussion, corner meetings in the project area to educate people about personal hygiene, health, immunization, home and environmental sanitation, safe drinking water, prevention and care of communicable diseases on care of sick, aged persons, mother and child care, nutrition etc. the association exists for the relief of person who are suspected of being affected by multiple sclerosis (MS) and associated conditions. The beneficiaries by seeking to ensure that such persons, their careers and families receive such help and assistance as is calculated to relieve their need. Rehabilitation in MS involves strategic to improve or maintain function, prevent complications and enhance overall quality of life. Rehabilitation may be needed to various point in the disease course to help the person maintain and / or recover a higher level of physical, cognitive and vocational functioning.
- Objectives- Rehabilitation centre cum office for MSSSI
- 1) Mobilize all of us inside the movement organisations people affected by MS, Volunteers, donors and staff to achieve our common mission to improve the quality of life of people affected by MS
- 2) To expand our work all around the districts in Karnataka and provide services
- 3) To bring Staff training program for administering official work and therapies.
- 4) It Is built on the Conviction if we work together we can achieve this faster and better than if we each work on our own.
