UVARD was established in the year 2002 and the main objective of the UVARD is to unite and strengthen all the voluntary organizations working for the welfare of the disabled and develop good networking and coordination in Telangana state

UVARD has started as a federation to support and strengthen more than 50 partner NGO's working in the field of disability in different districts of Telangana

NGOs registered with UVARD are reaching out for assistance of compliances and documentation. We're pleased to note that our partner NGOs are growing steadily and empowering the individuals with disabilities.

Vision

A society where differently abled lead a high-quality life

Mission

In collaboration with all our members

- To Ensure the effective implementation of policies to empower the PwD's.
- To Ensure the opportunities that provides quality of higher education to all the PWD's.
- To Create diversified livelihood opportunities for differently abled people in the society.
- To Strengthen the co-ordination of NGO-partners working in the field of Disability.
- To create awareness among the general public about the Govt. policies and facilities.
- To take up research and innovation programmes for the betterment of the lives of PwD's.
