From the Desk of Managing Director,

Greetings from WORD,

I am very pleasure to submit this annual report of our organization for 2020-2021 before the General body meeting. As we working for the poor downtrodden people's socio, economic upliftment at Thiruverumbur and Manaparai block, Trichirappalli District and Budalur Block, Thanjavur district, Tamil nadu state, India.

For successful implementation of our activities, we offered contribution from General Public and for their financial support. My sincere thanks to those who are contributed us for our programme and activities in current year.

In this golden opportunity, I would like to thanks our staffs and Board of Director's whose dedicated support we could do nothing.

Finally I request all to extend their support and assistance for the future course of time as they done in the past.

Thanking you,
With warm regards,

Yours in service,

(N.ANBAZHAGAN)
Managing Director.

ANNUAL REPORT FOR THE YEAR 2021 – 2022

Preface:

The **Welfare Organization for Rural Development Trust** shortly known as “**WORD**” is an independent and non-profitable Social Service Organization. It was started in the Year 1988. But, it was registered on 31st October 1991 under the Indian Trust, Act 1882 and its Registration No. is 700/91. Besides it has also been incorporated under the IT act of 12AA & 80G and Ministry of Home Affairs, India under the Foreign Contribution Regulation Act (FCRA) and its FCRA No. is 076040277. Our Trust is doing its activities with the help of generous people with social values and consciousness of social change along with the members of the Trust with the generous attitude to benefit the rural poor and down-trodden rural people from the exploitation of Man – to Man and Women to Men.

Geographical Area Covering:

Village	: 45 Villages	Block	: Thiruverumbur Manaparai
District	: Trichirappalli & Thanjavur		Budalur
State	: Tamil nadu		
Country	: India.		

Target Population Covered:

Men, Women, Children, Youth, Adolescent Girls, Transgender Challenged persons and General Public.

Activities Conducted during the year:

1. Support of Education aids to poor students:

Project Title:

To providing school note books with Bag for 50 students of Poor single women and 50 students of Covid affected Family in Thiruverumbur Block, Trichirappalli district of Tamil nadu state, India.

Activity Report : We have organized 50 school students from schools that is affected family of Covid 19 situation and single women families in Thiruverumbur block, Trichirappalli district, Tamil nadu state, India and we have purchased school note books, Geometry box and books of dictionary etc. The worth of school educational aids is near Rs.20000//. We are gathering function in the school and in community hall and invited their school teachers and parents and our likeminded NGO Heads for chief guest of our programme. They are motivating that all students through a valuable speech for creating awareness on education and Motivate to confident building for success of the future. And finally we have distributed the school aids to all school students. This programme was organised by our Managing Director Mr.N.ANBALAGAN with our staff team. The school teacher and parents are given vote of thanks to our **OTF – CANADA** for the valid support of school student’s education.

2. Skill Awareness Programme:

WORD TRUST has organized 50 adolescent girls for giving skill training on computers, Typewriting and tailoring for making own job opportunity in Thiruverumbur block, Trichirappalli distirct. This programe was arranged by our likeminded NGO of MR. Foundation Thuvakudimalai

jointly conducted in three months of these financial years. The training fees were sponsored by our organization trustees' contribution. At end of the training program we have distributed certificate and course completion certificate. And our trust has tie up with our private company owners in Thuvakudi small scale industrials for recommending to job opportunity to our trained adolescents girls. These selected beneficiaries are mostly poor and single women family in our working area of rural villages. Therefore at present most of them learning skills and creating job opportunity and stand own legs in future. It have support their family and self employment opportunity

3. Support of Old age People:

Our Trust has conducting some survey within our working areas and we have identified those who have economically socially poor condition and living utter poverty family. Through this survey we have identified near 100 poor families has not living in proper shelter as a home. In this situation we have collecting some donation from well wishers than we have purchase the cloth and bed sheet for supporting to them. Therefore we have fully satisfied for this kind supporting programme by our organization. It's our hearty touching service in this year. This programme was supported by **SAMDASANI FOUNDATION**

4. Climate change awareness programme:

The WORD TRUST has organized our local community for creating and awareness on the subject of climate change and how able protecting the environment can. There are nearly 150 small and marginal farmers are participated in this programme. We invite a resource person from expert of climate change and what causes of climate change is also explained. We have motivated that community to

promote the tree plantation and maintain the green environment in our working areas. The people are assuring our programme for protecting environment and making community forest in our areas. The people are ready to involving too made tree plantation in the community waste land for managing green environment. This programe was sponsored by local donation.

5. Yoga Awareness Progeamme

The WORD Trust has conducted two days training programme on the subject of Naturopathy and yoga practice among the targeted children of general public. This awareness training was conducted at Thiruverumbur among the self help group members and general public were participated in this programme. The Naturopathy consultant and doctors of Dr. Sugumar BNYS, Dr. Menaka BNYS are participated as a resource person. The awareness on Naturopathy medicines and utilization of Natural food has been taught to them at end of the awareness training they have trained and demonstrated by yoga practice. This programme was supported by Trustees contribution. \

6. Free Tuition for Dalith Children's:

The WORD TRUST has organized the rural poor dalith children's in Theverayanery and Asoor villages for conducting evening free tuition. We have appointed one volunteer in village wise they have taught and regularly follow up the studying activity. Each center having 15 to 20 children's

from the standard of 5th to 10th they are regularly assembled at Common places of village in evening 5.00 pm and they have return to 9.00pm finishing the study. Our volunteer has educate them and clearing their subject wise doubts and weekly once they have conducted test and valid the paper for motivation of exam and solve the fearing of exam, Now they have scored high marks and none of drop out the school. This kind of support is sponsored by our trustee contribution. And we would plan to give the sports materials for improving their playing habit and monthly once Sunday we have conducting the awareness on various skills of knowledge. This programme was supported by **SAMDASANI FOUNDATION.**

7. Tree Plantation Program:

Our Trust has organized local SHGs members and they have trained and creating the level of knowledge on the subject of Tree plantation and Nursery formation. That SHG groups have motivated them for promoting kitchen gardens. Our organization have purchasing Tree saplings from the private Nursery and it will given to beneficiaries of our farmers for involving the tree plantation there are 2000 of tree saplings are planned in our working areas. We have motivate our village community “each one tree one” concept was initiated. At present they have number of trees established and we hope it will give valuable support for our environment sustainability in future.

8. Child Marriage Awareness Programme:

WORD Trust has organized NGO heads and CBOs leader in and around Trichirappalli district for conducting one day child marriage awareness programme. There is nearly 45 delegates are participated in that meeting and we invite the District social welfare Board officer Mrs.Thammunisha and Chairman of District Child welfare Committee Mr.Kamala. The Ex child rights commission member Mr.S.Selvakumar is also attended this meeting. They are given motivational speech for preventing the child marriages in their respective field of NGOs, and CBOS. The statistical report of child marriage issues and causes is also discussed in that meeting. At end of the meeting we have published the status report of child marriages in Trichirappalli district was released to the Medias. The participants are learning too much and they are assurance to take steps for preventing the child marriages in their working areas. The printing IEC is supporting to the participants for creating awareness tips to all participants. This programme was sponsored by our trustees' contribution.

9. World Aids Day Programe:

During the 1st week of December 2021, our organization conducted school level meeting at Valavanthankottai Government High school students on the day of World AIDS day. The concept of HIV/AIDS, its spreading and the preventive method were the contents are delivered. All the participated students are earning the knowledge on HIV/AIDS and aware. The participated students are display the plug cards on the slogan of preventing methods of HIV/AIDS. This

Programme was supported by **MERCURY PHONIX TRUST – UK.** .

10. Tobacco Awareness Programe:

Our Managing Trustee Mr.N.Anbalagan was attended the workshop on health professionals against tobacco at Chennai. In this regard we have planned to organize a campaign on 31st May 2021 at our working Villages. The campaign was conducted in front of the Bus terminus in various Villages the public was participated. The problem of Tobacco and how, it was affected to our health were propaganda by street play demonstration. There are nearly 1500 publics were aware on the subject cited. The preventive of Tobacco is making a safe for Cancer among the women and general public.

So far this programme was creating very much impact to the public for creating awareness on Cancer and other related disease.

11. Covid Awareness Programme:

Our Trust has participated with our likeminded NGOS group in Trichy and we are organized one public poster campaign in Trichirapalli Town limit nearby central Buds stand and distribution of free mask and pit notice for motivating the general public to take care on the issues. The Trichy Police commissioner was participated as a resource person and he have opened the

campaign. There are nearly 1000 of visitors are directly benefited in this programe. This programe was sponsored by our Trustees contribution.

12. Covid – 19 Relief support:

Our Trust has collecting some local donation from the general public and well wishers and purchasing some grocery food packages for distributing the affected poor and needy family of Covid 19 affected family. The covid 19 diseases were mostly affected by aged people from poor family. They do not have to manage their food crises. In this situation our support is more

support them. There are nearly 100 of poor and needy families are directed benefited in Tondamanpatti village with our support.

CONCLUSION

Our Trust is always for the promotion of Social Welfare. It is fighting for eradication of poverty, social evils and other matters relating to society. It takes necessary steps for the entire social welfare of the society. Hence, our Trust has organized various Awareness Programs and Training Programs among the general public at Thiruverumbur and Manaparai Block in Trichirappalli District and Budalur Block of Thanjavur district in the State of Tamil Nadu, India.

Our Trust will continue the same in future too.

Thanking you,

Yours Sincerely,
